DESCRIPTION

The 20x40 cover cap in signal gray closes open fixing holes on gusset brackets flush and cleanly. Made from polypropylene (PP), it matches the color of signal-gray profile structures and keeps dirt out of mounting openings once the assembly is complete.

- Precise fit for gusset brackets in the 20x40 grid
- PP material - lightweight, durable and impact-resistant
- Signal gray finish - integrates seamlessly into gray profile systems
- Tool-free installation by snap-fit
- Packaging unit of 20 pieces for cost-effective procurement
