

ESD-Abdeckkappe für Winkelverbinder 40x40, PP schwarz - Bosch Rexroth 3842548855

Item no. BRR-3842548855 **Manufacturer** Bosch Rexroth

Manufacturer no. 3842548855

Polypropylene cover cap for 40x40 gusset brackets in ESD-protected assembly environments. The black cap closes open fixing bores cleanly and prevents electrostatic discharge at the connection point. Packaging unit: 20 pieces.

TECHNICAL DATA

Article authenticity	Original product
Colour	Black
Condition of article	New
Country of Manufacture	Germany
ESD-Ausführung	ESD (antistatic)
Weight	0.0055 kg
Zolltarifnummer	39235090

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The 40x40 ESD cover cap closes the fixing bores of gusset brackets in the Bosch Rexroth aluminium profile system flush and dust-tight. Made from antistatic polypropylene (PP), it is designed for use in ESD-protected assembly and production areas where electrostatically sensitive components are handled.

- ESD-safe: antistatic PP material protects sensitive electronic components from electrostatic discharge
- Neat finish: covers open bores on 40x40 profile gussets flush and dust-tight
- Lightweight: 5.5 g per cap, negligible impact on overall structure weight
- Efficient packaging: 20 pieces per unit for cost-effective stock management

Technical data

Attribute	Value
Application	Gusset bracket 40x40
Material	PP (polypropylene, antistatic)
ESD	Yes
Color	Black
Dimensions	40x40 mm
Weight	0.0055 kg (5.5 g)
Packaging unit	20 pieces
