DESCRIPTION

The 80x80 cover cap in signal gray fits flush over gusset angle connectors used with 80x80 aluminum profiles in the Bosch Rexroth assembly technology system. Made from polypropylene (PP), it clips into place without tools, keeping the connector free of contamination and giving the structure a finished look.

- Precise fit for 80x80 gusset brackets - no trimming or adjustment needed
- PP material - lightweight, chemical-resistant, and impact-tolerant
- Signal gray finish - matches standard aluminum profile system components
- Pack of 20 - practical for series assembly and stock replenishment
