DESCRIPTION

The 45x90 PP cover cap fits Bosch Rexroth gusset brackets of the same build size, sealing the screw bore flush with the bracket surface. It eliminates sharp edges and exposed fastener recesses on workstation frames, guard structures, and conveyor assemblies - keeping the installation neat and safe for operators.

- Precise fit for 45x90 gusset connectors in the Bosch Rexroth assembly technology system
- PP material - lightweight, resistant to common cleaning agents and lubricants
- Signal gray finish for a consistent, professional appearance across the frame
- Pack of 20 - cost-effective stocking for multi-joint projects
