DESCRIPTION

The 45x180 cover cap in signal gray provides a neat finish for gusset bracket connections in Bosch Rexroth aluminum profile structures, keeping joint areas free from dust and incidental contact. The polypropylene (PP) component snaps into place without tools and is dimensioned for the 45x180 grid of the Bosch Rexroth assembly technology range.

- Exact fit for 45x180 gusset brackets in the Bosch Rexroth system
- PP material - lightweight, chemically resistant, and dimensionally stable
- Signal gray finish for a consistent look across the structure
- Pack of 20 for efficient stock management in series assembly
