DESCRIPTION

The 3842548871 cover cap closes off gusset connections in the Bosch Rexroth Assembly Technology 50x50 system. The black PP component meets ESD requirements, making it suitable for workstations and assembly lines where electrostatically sensitive parts are handled.

- ESD-compliant: protects sensitive electronic components from electrostatic discharge at assembly and test stations
- Clean finish: reliably covers screw heads and connection points on 50x50 gussets
- PP material: lightweight, chemical-resistant and dimensionally stable under continuous use
- Pack of 20: efficient stock management and installation
