## DESCRIPTION

The 50x100 cover cap in signal gray fits over Rexroth gusset brackets of the corresponding size, protecting screw heads and connection points from contamination and mechanical damage. Made from PP, the cap combines dimensional stability with low weight, and the signal gray colour integrates naturally into standard Rexroth aluminium profile assemblies.

- Precise fit for gusset brackets 50x100 in the Rexroth profile system
- Signal gray matches the standard colour palette of Rexroth aluminium profiles
- Lightweight PP construction, 0.028 kg per piece
- Pack of 20 - cost-efficient for production and larger assembly runs
