DESCRIPTION

The cover cap 3842548874 provides a flush finish on exposed corners and connection points of Gusset brackets 100x100 mm. It is designed for assembly frames, guarding systems, and workstation structures built with Rexroth aluminum profile, wherever a neat, professional closure is required.

- Precision fit for Gusset bracket 100x100 mm - no trimming or rework needed
- PP material - lightweight, chemical-resistant, and impact-tolerant in daily use
- Signal gray finish - blends uniformly with standard Rexroth profile systems
- Pack of 20 - cost-effective stock for larger assembly batches
