

Schnellspanverbinder N8 0° für Nut 8, nichtrostender Stahl - Bosch Rexroth 3842548934

Item no. BRR-3842548934 **Manufacturer** Bosch Rexroth

Manufacturer no. 3842548934

Joins two slot-8 aluminium profiles in a single quarter-turn operation without disassembling the structure. The rectangular head (11 mm diameter), 0° mounting orientation, and stainless steel construction make it suited for hygiene-critical and ESD-protected applications. Rated to a bending moment of 40 Nm; supplied in packs of 10.

TECHNICAL DATA

Article authenticity	Original product
Condition of article	New
Country of Manufacture	Germany
ESD-Ausführung	ESD (antistatic)
Weight	0.022 kg
Zolltarifnummer	83024900

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The Quick Connector N8 0° VA creates a positive-locking connection between two slot-8 profiles without full disassembly of the frame. The rectangular head (diameter 11 mm) engages both profile slots and locks with a quarter-turn. Stainless steel construction meets the demands of cleanrooms, food-processing environments, and ESD-sensitive workstations.

- 0° mounting orientation - no lateral access required
- Bending moment 1: 40 Nm for load-bearing frame joints
- ESD-suitable: yes - safe in electrostatically sensitive areas
- Stainless steel: resistant to cleaning agents and moisture
- Packaging unit of 10 for efficient stock management

Technical data

Attribute	Value
Profile slot	8
Profile slot P1/P2	8 / 8
Head shape	rectangular
Mounting orientation	0 °
Diameter D	11 mm
Bending moment 1	40 Nm
Material	Steel, stainless
ESD	yes
Recommended accessories	Anti-torsion element, Radial compensation, Drilling jig, Cap
Packaging unit	10 pcs
Weight	0.022 kg
