

Schnellspanverbinder N8 90° VA, Stahl nichtrostend, Profilnut 8 - Bosch Rexroth 3842548937

Item no. BRR-3842548937 **Manufacturer** Bosch Rexroth

Manufacturer no. 3842548937

Right-angle quick connector for slot-8 aluminium profiles, made from stainless steel. The 90° mounting orientation allows lateral attachment with no exposed screw heads; the rectangular head handles bending moments up to 70 Nm. ESD-compatible, sold in packs of 10.

TECHNICAL DATA

Article authenticity	Original product
Condition of article	New
Country of Manufacture	Germany
ESD-Ausführung	ESD (antistatic)
Weight	0.022 kg
Zolltarifnummer	83024900

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The Quick Connector N8 90° VA joins slot-8 aluminium profile systems at a right angle, keeping fastener heads out of sight on the visible face. Stainless steel construction suits corrosive environments and ESD-sensitive assembly workstations.

- 90° mounting orientation for lateral or face-end connection on profile slot 8
- Bending moment up to 70 Nm for rigid frame and rack structures
- Rectangular head seats securely in the profile slot, preventing rotation during tightening
- ESD-compatible per manufacturer specification - suitable for antistatic workstations
- Stainless steel material: corrosion-resistant and easy to clean
- Packaging unit of 10 pieces for series assembly builds

Technical data

Attribute	Value
Profile slot	8
Profile [P]	8 / 8
Mounting orientation	90°
Head shape	Rectangular
Diameter D	11 mm
Bending moment 1	70 Nm
Material	Steel, stainless
ESD	Yes
Weight	0.022 kg
Packaging unit	10 pieces
Recommended accessories	Anti-torsion element, Radial compensation, Drilling jig, Cap
