ESD safe

DESCRIPTION

The mounting kit 3842548997 attaches cable ducts securely to Bosch Rexroth aluminium profiles with a 10 mm slot. The bolted connection transmits forces reliably without deforming the mounting surface. Each pack contains 10 complete sets.

- Secure force transmission without deformation of the mounting surface
- Compatible with support profiles, 10 mm slot
- ESD-suitable
- Standard M6 tooling required
- Recommended mounting interval: every 500 mm
