

Anbauplatte 450/400 für Kistenhubgeräte, Stahl verzinkt - Bosch Rexroth 3842549427

Item no. BRR-3842549427 **Manufacturer** Bosch Rexroth

Manufacturer no. 3842549427

Attachment plate for mounting forks or suspension straps on all Bosch Rexroth case lifters. Made from galvanized steel (L 600 mm, W 450 mm, bmax 400 mm), ESD-rated, supplied with fastening material. Part of the modular accessory system for case lifters.

TECHNICAL DATA

Article authenticity	Original product
Condition of article	New
Country of Manufacture	Latvia
ESD-Ausführung	ESD (antistatic)
Lenght	600 mm
Weight	4.6 kg
Zolltarifnummer	84313100

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The attachment plate 450/400 (article 3842549427) is the central interface between a case lifter and add-on equipment such as forks or suspension straps. Compatible with all Bosch Rexroth case lifters, it enables fast and reliable changeover between different load-handling attachments.

- **Universal fit:** Compatible with all Bosch Rexroth assembly technology case lifters
- **Modular design:** Accepts forks (for containers or floor rollers) and suspension straps
- **ESD-rated:** Suitable for use in electrostatic discharge-protected work areas
- **Scope of delivery:** Includes fastening material (with case lifter)
- **Durable finish:** Galvanized steel for long-term corrosion resistance in industrial environments
