

Montagewerkzeug für VarioFlow plus Gleitleisten - Bosch Rexroth 3842549738

Item no. BRR-3842549738 **Manufacturer** Bosch Rexroth**Manufacturer no.** 3842549738

Dedicated hand tool for fitting and removing sliding rails in the VarioFlow plus chain conveyor system. The tool protects the rail profile during installation and speeds up assembly compared to working without a purpose-made aid. Compatible with all sliding rail profiles in the VarioFlow plus range.

ESD safe

DESCRIPTION

The VarioFlow plus sliding rail assembly tool allows sliding rails to be clipped in and released accurately without damaging the profile. It is matched to the geometry of the VarioFlow plus chain conveyor system and is recommended for initial installation as well as maintenance work.

- Form-fitting guidance prevents damage to the sliding rail during fitting and removal
- Ergonomic design reduces the force required during assembly
- Compact weight of 0.1 kg - easy to keep at the workstation
- Suitable for all sliding rail profiles in the VarioFlow plus programme
