DESCRIPTION

The cover cap 3842551054 closes exposed bolt connector bores in Bosch Rexroth aluminium profiles of the slot-10 series. The PP component blocks dust and chip ingress and gives the assembly a neat, professional finish.

- Fits profile slot 10 - secure press-fit, no tools required
- PP material - lightweight, chemically resistant and dimensionally stable
- Black colour - unobtrusive match for standard aluminium profiles
- Pack of 100 - cost-effective stock for series assembly
