

Weiche 45° links für VFplus 65 - Bosch Rexroth 3842551105

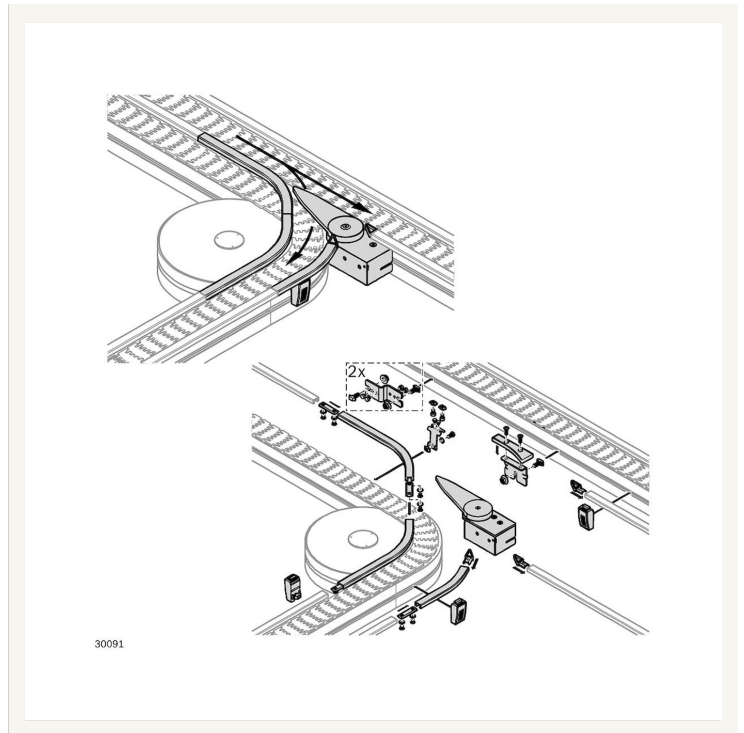

Item no. BRR-3842551105

Manufacturer Bosch Rexroth

Complete assembly kit for optional track changes between curving conveyor sections on VFplus 65 transfer systems. The integrated support ensures workpiece pallets cross the section gap without risk of tipping. No accumulation operation against the diverter blade.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.0099 kg
Zolltarifnummer	84313900

DESCRIPTION

The 45-degree left diverter (VFplus 65) enables selective track changes between different curving sections of a VFplus 65 conveyor. Supplied as a complete kit with all fastening parts, it mounts directly to existing sections and curve wheels.

- Safe pallet transfer over the section gap - integrated sliding surface support prevents tipping
- Complete kit including fastening parts - no additional main components required
- Diverter blade and sliding surface support in PA (black) - wear-resistant and easy to maintain
- Position sensing upgradeable via article 3842535150 (not included)
- Note: no accumulation operation against the diverter blade

TECHNICAL DATA

Parameter	Value
Type	45-degree diverter, left
Conveyor system	VFplus 65
Scope of delivery	Kit including fastening parts
Material - diverter blade / support	PA, black
Required accessories	2 throttle non-return valves G 1/8" (not included)
Weight	2.1 kg

Parameter	Value
Position sensing	Art. 3842535150 (optional, not included)
