

Zusammenführung 90°, links, VFplus 90 - Bosch Rexroth 3842551124

Item no. BRR-3842551124

Manufacturer Bosch Rexroth

Assembly kit for merging curving VFplus conveyor sections at a 90° angle, left-hand version, for track width 90 mm. The sliding surface support keeps workpiece pallets stable as they cross the section gap. Supplied complete with all fastening parts for direct installation on existing sections and curve wheels.

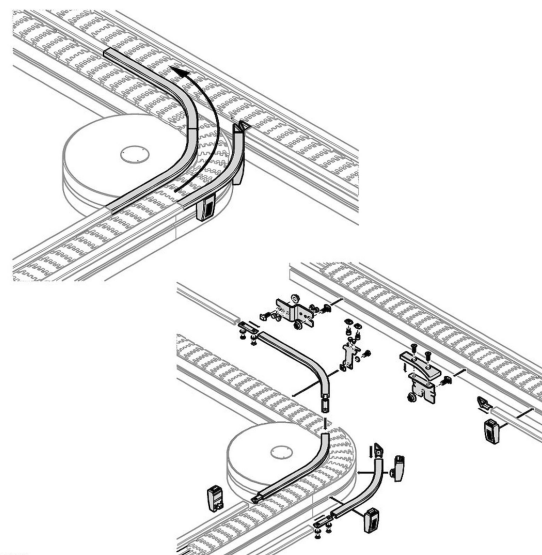

TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Germany**

Weight **0.0099 kg**

Zolltarifnummer **84313900**

30093

DESCRIPTION

This kit provides a secure, tilt-free 90° left-hand junction between curving VFplus conveyor sections. The PA sliding surface support bridges the section gap and ensures smooth pallet transfer without risk of tipping. Everything needed for installation on existing track sections and curve wheels is included.

- 90° left-hand junction - designed for merging diverging conveyor lines
- PA (black) sliding surface support prevents workpiece pallets from tipping over the section gap
- Complete kit including all fastening parts - no additional hardware required
- Track width VFplus 90 (b = 90 mm)
