

90°-Zusammenführung rechts für VFplus 65 - Bosch Rexroth 3842551128

Item no. BRR-3842551128

Manufacturer Bosch Rexroth

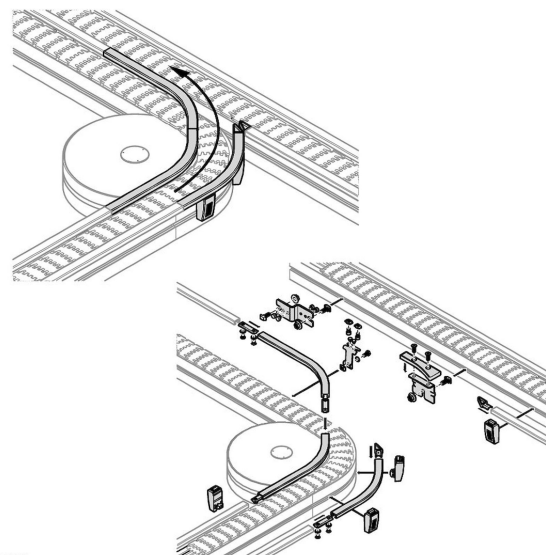

Complete assembly kit for a 90° right-hand junction in the VFplus 65 transfer system. The PA sliding surface support bridges the section gap and keeps workpiece pallets stable during transfer. Mounts directly onto existing conveyor sections and curve wheels.

TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Germany**

Weight **0.0099 kg**

Zolltarifnummer **84313900**

DESCRIPTION

The 3842551128 junction kit connects curving conveyor sections at a 90° right-hand angle within the VFplus 65 transfer system. All fastening parts are included, allowing direct installation on existing sections or curve wheels without additional components. The integrated PA sliding surface support (black) spans the section gap and eliminates the risk of workpiece pallets tipping during crossover.

- 90° right-hand configuration, sized for VFplus 65 (width b = 65 mm)
- Complete kit including all fastening parts, ready to install
- PA sliding surface support (black) ensures tilt-free pallet crossover
- Direct mounting on existing conveyor sections and curve wheels
