

Kreuzweiche 90°, links, VFplus 65 - Bosch Rexroth 3842551141

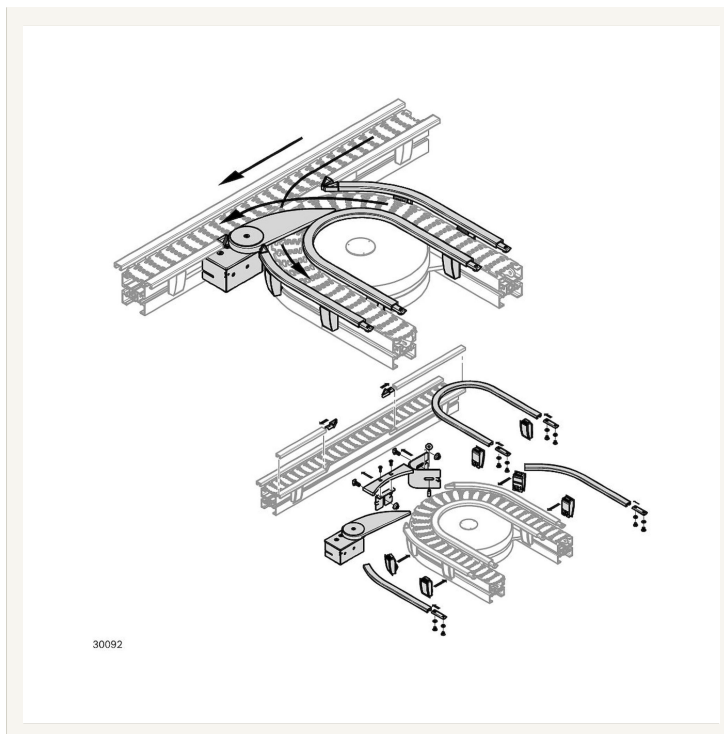

Item no. BRR-3842551141

Manufacturer Bosch Rexroth

The 90° left cross-diverter combines junction and diverter functions in a compact length. Supplied as a complete kit with all fastening parts for direct installation on existing VFplus 65 sections and curve wheels. The integrated support keeps workpiece pallets stable across the section gap at speeds between 4 and 18 m/min.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.0099 kg
Zolltarifnummer	84313900

DESCRIPTION

The 90° left cross-diverter for the VFplus 65 conveyor system merges junction and diverter functions into a single compact unit, reducing the footprint of transfer points in assembly automation lines.

- Complete kit including all fastening parts, ready to install on existing sections and curve wheels
- Permissible speed range: min. 4 m/min, max. 18 m/min
- Integrated support prevents workpiece pallets from tipping over the section gap
- No accumulation operation against the diverter blade permitted
- Diverter blade and sliding surface support in PA (black) for low-maintenance continuous operation

TECHNICAL DATA

Parameter	Value
Type	Cross-diverter 90°, left
System size [b]	65 mm
Speed range	4 - 18 m/min
Material - diverter blade / sliding surface support	PA, black
Weight	4.12 kg
Article number	3842551141
