

Schutzabdeckung VarioFlow plus AL 90 mm, 45° - Bosch Rexroth 3842551550

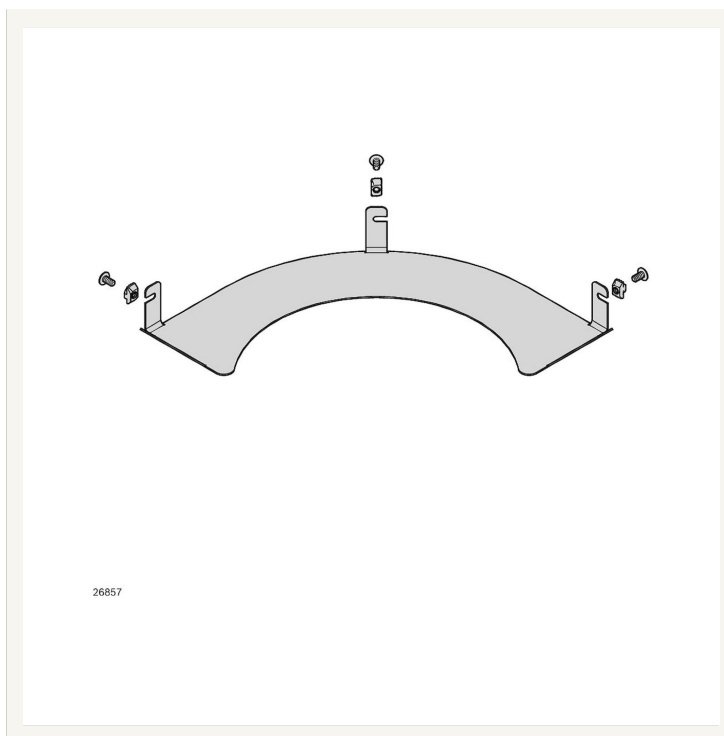

Item no. BRR-3842551550

Manufacturer Bosch Rexroth

Safety cover for the aluminium curve module of the VarioFlow plus chain conveyor system, size 90 mm, 45° deflection angle. Protects moving chain guide components in the curve section and supports compliance with workplace safety requirements. Lightweight at 0.43 kg for straightforward installation and retrofitting.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.43 kg
Zolltarifnummer	73089059

DESCRIPTION

The safety cover is designed for the aluminium curve modules of the VarioFlow plus chain conveyor system, enclosing the deflection zone at a 45° angle. Matched to size 90 mm, it fits directly into existing VF90+ AL conveyor lines without modification.

- Exact fit for VarioFlow plus AL, size 90 mm
- 45° deflection angle - no cutting or adaptation required
- Low weight of 0.43 kg - fast installation and easy handling
- Shields moving chain guide elements from contamination and unintended contact
