

# Trennsteg H40 für Kabelkanal, PVC signalgrau RAL 7004, 3000 mm, VPE 10 - Bosch Rexroth 3842552245

**Item no.** BRR-3842552245 **Manufacturer** Bosch Rexroth

**Manufacturer no.** 3842552245

The H40 dividing strip splits a cable duct into two separate chambers, allowing power and data cables to be routed independently in a single duct. The flexible PVC profile is bendable for use on curved duct runs and installs by simple push-in, no tools required. Supplied in 3000 mm lengths, packaging unit of 10.

## TECHNICAL DATA

Article authenticity	<b>Original product</b>
Condition of article	<b>New</b>
Country of Manufacture	<b>Poland</b>
Lenght	<b>3000 mm</b>
Weight	<b>0.63 kg</b>
Zolltarifnummer	<b>84313900</b>

## DESCRIPTION

The Bosch Rexroth H40 dividing strip (article 3842552245) divides a cable duct into two independent chambers, enabling the separate routing of electricity and data cables without the need for a second duct. Push-in installation requires no tools, and the flexible PVC profile can be bent to follow curved duct sections.

- Divides the cable duct into 2 chambers for segregating power and data cables
- Push-in installation - no tools needed
- Bendable for use on curves and bends
- PVC material, signal gray RAL 7004 - matched to Bosch Rexroth H40 series cable ducts
- Length 3000 mm, packaging unit 10 pieces
