DESCRIPTION

The self-drilling screw ZE.PI 3.5x9.5 locks the cover plate of Bosch Rexroth aluminium cable ducts (series AL 40x40, 40x80, 80x40, 80x80) onto the base body while simultaneously establishing an electrically conductive bond - essential for ESD-protected assembly areas.

- ESD-conductive design: ensures reliable potential bonding between cover and cable duct
- Galvanized steel: corrosion-resistant with long service life
- Self-drilling: no pre-drilling required, direct installation into the cable duct
- Compatible with Bosch Rexroth aluminium cable duct series AL 40x40, AL 40x80, AL 80x40 and AL 80x80
- Pack quantity: 10 screws
