

Schutzkasten HD 2/H 400x240, 180° Öffnungswinkel - Bosch Rexroth 3842552608

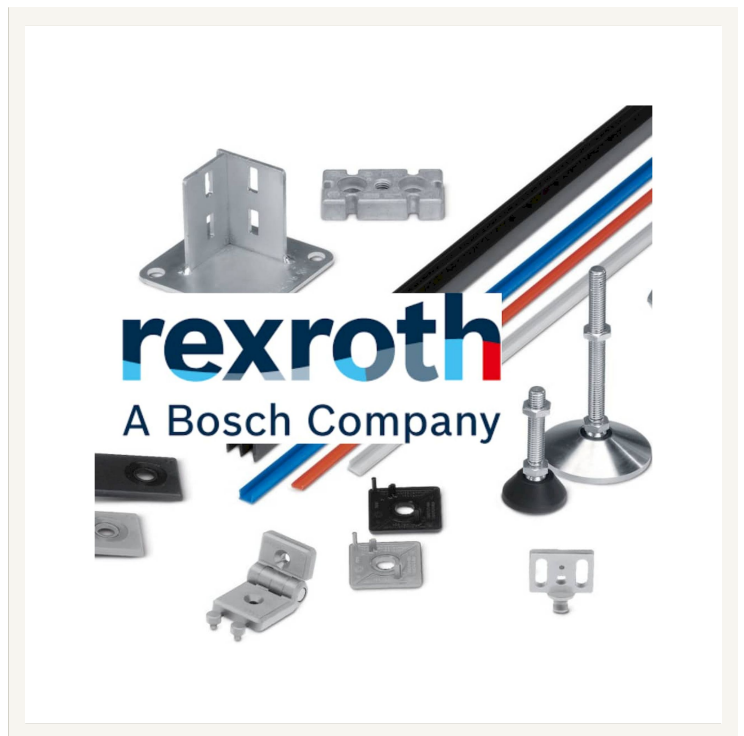

Item no. BRR-3842552608

Manufacturer Bosch Rexroth

Protective box for the HD 2/H half-cover series, covering an area of 400 x 240 mm with a 180° opening angle. Shields connectors, cables and attachments in aluminium profile assemblies from dust and mechanical damage. Compatible with the Bosch Rexroth modular profile system.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.0099 kg
Zolltarifnummer	73089059

DESCRIPTION

The HD 2/H protective box is designed to cover and secure connectors, cables and mounted components within Bosch Rexroth aluminium profile structures. The 180° opening angle allows the cover to swing fully open, giving unobstructed access to the components inside. Dimensions of 400 x 240 mm suit a wide range of connection areas in assembly and automation installations.

- Designed for the HD 2/H half-cover series
- 400 x 240 mm footprint for broad coverage
- 180° opening angle for unrestricted access
- Fully compatible with the Bosch Rexroth aluminium profile modular system
