Protective box for HD 2/H profile systems, covering an area of 480 x 320 mm with a 180° opening angle. Guards connections, drive units and cable runs in assembly lines against damage and unintended access. Designed to integrate directly with the Bosch Rexroth assembly technology range.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.0099 kg
Zolltarifnummer	73089059

DESCRIPTION

The HD 2/H protective box, measuring 480 x 320 mm with a 180° opening angle, reliably covers mechanical and electrical components in HD 2/H profile systems. It fits directly into the Bosch Rexroth assembly technology program and can be positioned or removed without additional tools.

- 480 x 320 mm coverage area for large-format component protection
- 180° opening angle provides full access for maintenance and changeover work
- System-compatible with HD 2/H profiles in the Bosch Rexroth assembly range
- Lightweight construction (9.9 g) for easy handling
