

Schutzkasten HD 2/H 800x480 180° für Montageprofile - Bosch Rexroth 3842552621

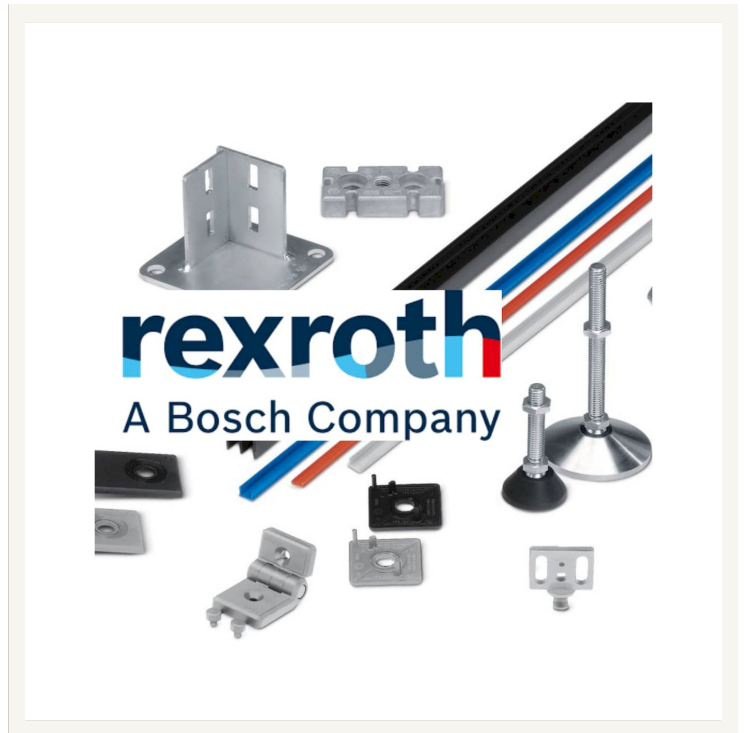

Item no. BRR-3842552621

Manufacturer Bosch Rexroth

Protective box for Bosch Rexroth HD 2/H assembly profiles with an 800 x 480 mm opening width and 180-degree pivot range. Covers connection points and transitions against mechanical damage and contamination. Designed as a system-compatible accessory for Rexroth profile-based structures.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.0099 kg
Zolltarifnummer	73089059

DESCRIPTION

The protective box 3842552621 shields connection and transition areas on HD 2/H assembly profiles (800 x 480 mm) from damage and contamination in workshop and production environments. The 180-degree pivot range allows flexible positioning without dismantling the supporting structure.

- Precise fit for HD 2/H profiles, 800 x 480 mm opening width
- 180-degree pivot for variable orientation
- Protects joints and transitions from impact and dirt
- System-compatible accessory for Bosch Rexroth assembly technology
