

Schutzkasten für HD 2/H, 800 x 800 mm, 180° - Bosch Rexroth 3842552624

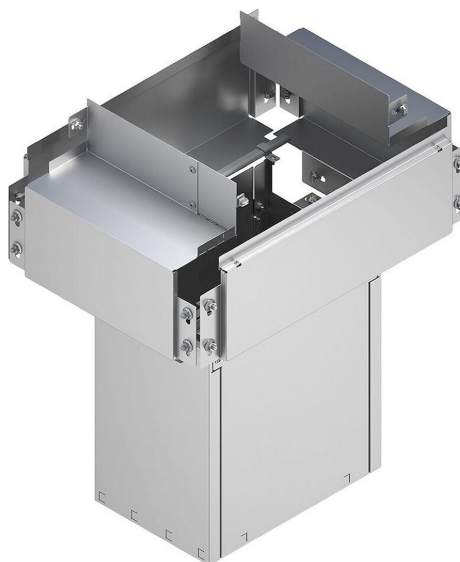

Item no. BRR-3842552624

Manufacturer Bosch Rexroth

Housing element for the Bosch Rexroth HD 2/H transfer system, sized for 800 mm x 800 mm workpiece pallets with a 180° opening angle. Protects the unit below the conveying level against mechanical interference from outside. Protection above the conveying level must be configured individually per application.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.0099 kg
Zolltarifnummer	73089059

DESCRIPTION

The housing element 3842552624 is a protective enclosure for the Bosch Rexroth HD 2/H transfer system. It shields the assembly below the conveying level from unintended contact and mechanical interference. Protection above the conveying level is not included and must be planned separately for each application.

- Fits workpiece pallets 800 mm x 800 mm
- 180° opening angle for full access during setup and maintenance
- Protects below conveying level; upper protection to be specified per application
