

## Abdeckung der Seitenführung HQ 5, Spurbreite 845 mm, Stahl verzinkt - Bosch Rexroth 3842552660

Item no. BRR-3842552660

Manufacturer Bosch Rexroth

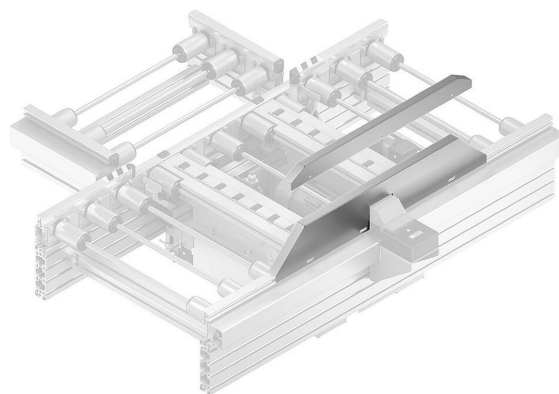

Cover for the side guides of the TS 5 transfer system in transverse conveyor operation, track width 845 mm. Made from galvanized steel for reliable corrosion resistance. Secured with flange nut and T-bolt directly to the profile.

### TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Germany**

Weight **3.25 kg**

Zolltarifnummer **73089059**

### DESCRIPTION

The HQ 5 LWT845 cover protects the side guides of the Bosch Rexroth TS 5 transfer system in transverse conveyor mode for a track width of 845 mm. The galvanized steel housing shields moving guide elements from contamination and reduces injury risk in production environments.

- Track width 845 mm - precise fit for TS 5 transverse conveyor configurations at this width
- Galvanized steel construction - corrosion-resistant, suited to industrial manufacturing environments
- Secured with flange nut and T-bolt - straightforward installation within the aluminum profile system

### TECHNICAL DATA

| Attribute                             | Value              |
|---------------------------------------|--------------------|
| Track width in transverse conveyor bQ | 845 mm             |
| Material                              | Steel, galvanized  |
| Required accessories                  | Flange nut, T-bolt |
| Weight                                | 3.25 kg            |
