

Basiseinheit 120+ Center für VarioFlow plus Kettenfördersystem - Bosch Rexroth 3842552942

Item no. BRR-3842552942

Manufacturer Bosch Rexroth

Pre-assembled base unit for the VarioFlow plus aluminium-profile conveyor system, size 120 mm. Housing, connector, and ball bearings in stainless steel 1.4301; chain wheel and chain guide in PA for smooth, low-noise operation. Supplied ready to install - profile connector and fastening hardware included.

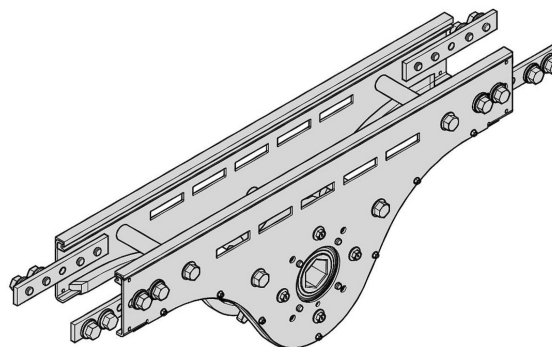

TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Germany**

Weight **4.5 kg**

Zolltarifnummer **84798997**

33598

DESCRIPTION

The Base Unit 120+ Center is the central drive and deflection component for the VarioFlow plus chain conveyor system, aluminium series, with a 120 mm profile width. It is delivered fully assembled, so installation time is minimal - profile connectors and all fastening material are included in the scope of delivery.

- Delivered pre-assembled: significantly reduces installation effort and commissioning time
- Housing, connector, and ball bearings in stainless steel 1.4301 - corrosion-resistant and easy to clean
- FDA-compliant ball bearing lubrication - suitable for applications with incidental food contact
- Chain wheel, chain guide, and hexagonal shaft in PA - smooth running and low noise
