

Adapter VFPlus AL-STS, Aluminium/Stahl verzinkt, 2x AI-STS Schnittstellen - Bosch Rexroth 3842552948

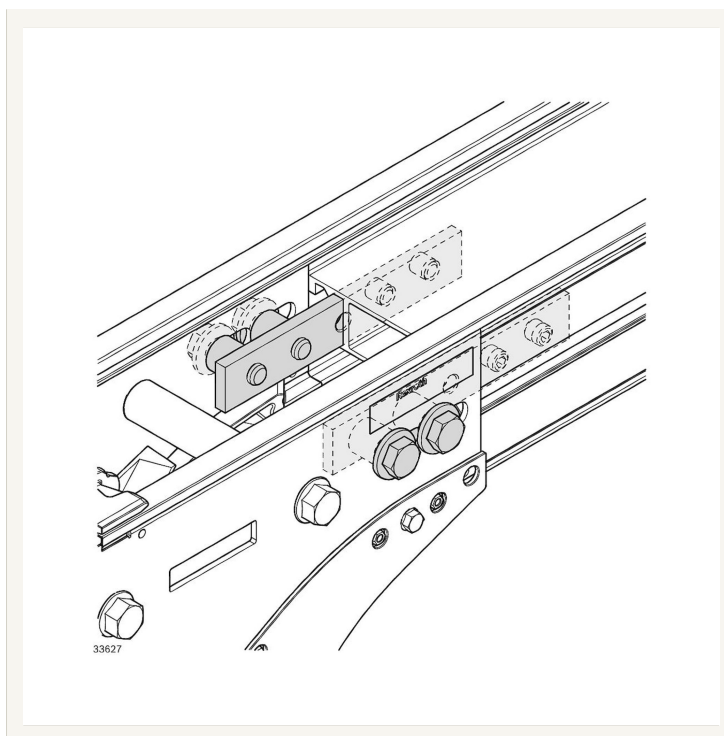

Item no. BRR-3842552948

Manufacturer Bosch Rexroth

Connection adapter for simple integration of STS basic unit head, connection drive, and return unit into the VFPlus aluminium profile system. Kit covers 2x AI-STS interfaces and includes all required fasteners. Supplied unassembled.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.0099 kg
Zolltarifnummer	84799070

DESCRIPTION

The 3842552948 adapter provides a straightforward, reliable connection between STS basic unit heads, connection drives or center drives, and return units within the VFPlus aluminium conveyor system. The complete fastener kit eliminates the need to source hardware separately.

- Covers 2x AI-STS interfaces - for example 1x basic unit head/drive plus 1x return unit, or 1x connection/center drive
- Aluminium/galvanized steel construction: lightweight and corrosion-resistant
- Complete scope of delivery: 8x hexagon screws, 8x headless setscrews, 8x spacers
- Size b: 65.90 mm - compatible with the VFPlus modular system

TECHNICAL DATA

Specification	Value
Article number	3842552948
Application	VFPlus Section AL STS
Size b	65.90 mm
Material	Aluminium/steel, galvanized
Weight	0.08 kg
Scope of delivery	8x hexagon screws, 8x headless setscrews, 8x spacers (for 2x AI-STS interfaces)

Specification		Value
Delivery condition	Not assembled
