### DESCRIPTION

The Sliding Rail 90+ STS 180° TOP is a wear and guide element for the VarioFlow plus aluminium chain conveyor system. It provides precise lateral guidance of the conveyor chain through 180° curves, top-mounted configuration (TOP). The non-rusting steel 1.4301 construction suits environments with elevated hygiene or corrosion-resistance requirements.

- Non-rusting steel 1.4301 - corrosion-resistant and easy to clean
- Designed for 180° curves, top mounting position
- Size 90 - compatible with the VarioFlow plus 90 mm system
- Supplied as a single rod in standard length, packaging unit 1
