

Kettenspannrad 65+ Basic Unit - Bosch Rexroth 3842553047

Item no. BRR-3842553047

Manufacturer Bosch Rexroth

Chain tensioning wheel for the VarioFlow plus aluminium conveyor system, size 65 mm. Maintains consistent chain tension to prevent sag and irregular chain travel. Designed as a base unit for drive and deflection sections in the AL profile system.

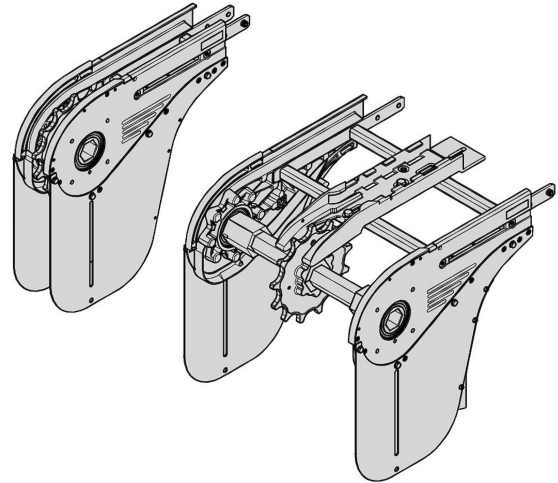

TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Germany**

Weight **0.1 kg**

Zolltarifnummer **39269097**

DESCRIPTION

The Chain Tensioning Wheel 65+ Basic Unit is a tensioning element for the modular VarioFlow plus aluminium chain conveyor system. It ensures correct chain tension at size 65 mm, supporting smooth and reliable conveyor operation.

- Designed for the VarioFlow plus aluminium conveyor system (size 65 mm)
- Base unit for drive and deflection sections
- Straightforward integration into existing VarioFlow plus AL conveyor lines
