

Verriegelung für GST-Connector - Bosch Rexroth 3842554181

Item no. BRR-3842554181

Manufacturer Bosch Rexroth

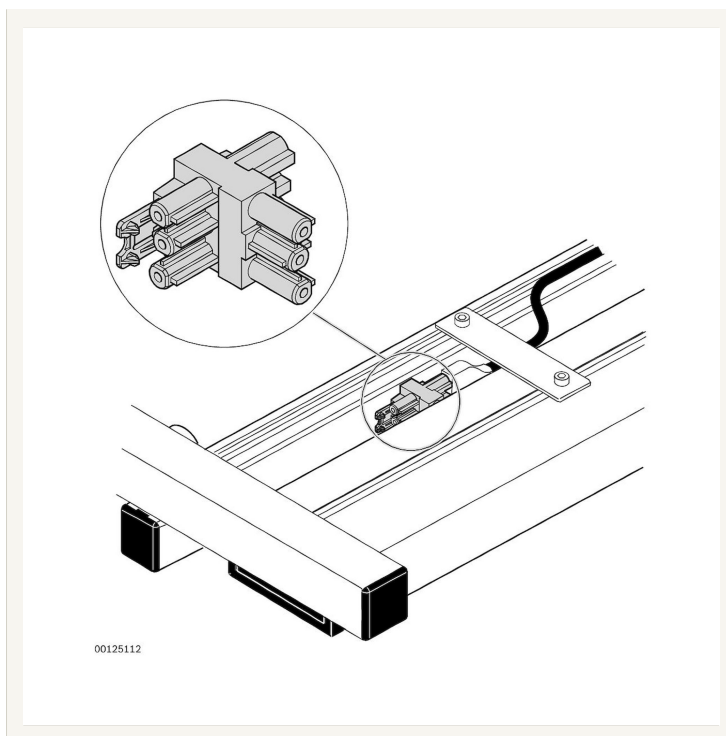

Interlock component for GST Connector plug connections at Bosch Rexroth assembly workstation systems. Prevents accidental disconnection during operation, improving reliability at manual production lines. Lightweight add-on part (1.5 g) for power supply units in modular self-build systems.

TECHNICAL DATA

Country of Manufacture **Germany**

Weight **0.0015 kg**

Zolltarifnummer **85389099**

DESCRIPTION

The interlock for the GST Connector secures plug connections at Bosch Rexroth assembly technology workstations against accidental disconnection. Designed as an accessory for manual production systems, it integrates into existing builds without tools.

- Prevents accidental release of the GST Connector during live operation
- Minimal added weight of 1.5 g - negligible load on the workstation structure
- Direct compatibility with the Bosch Rexroth GST Connector system
- Simple installation as a self-build element within the modular kit system
