

Schutzrahmen horizontal geteilt 1800x1000 mm, Wellengitter WG40 - Bosch Rexroth 3842554281

Item no. BRR-3842554281

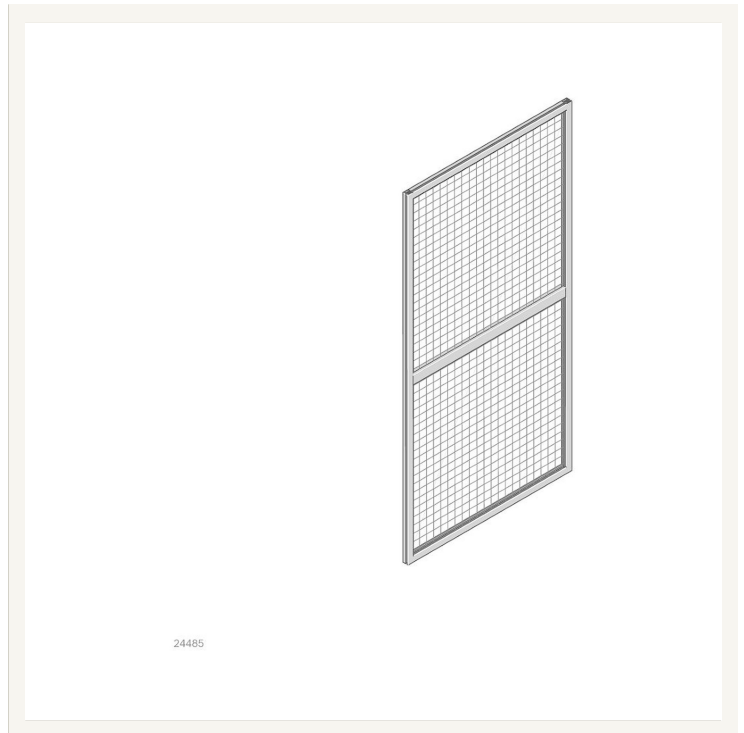

Manufacturer Bosch Rexroth

Horizontally divided protective fence panel (1800 x 1000 mm) with WG40 woven wire grille for modular dimension B1000 on 45x45 supports. Delivered fully assembled with fastening material - single-fitter installation via suspension brackets. Suitable for large guarding surfaces where horizontal division adds structural stability.

TECHNICAL DATA

Country of Manufacture **Germany**

Weight **17.5 kg**

Zolltarifnummer **76101000**

DESCRIPTION

The protective fence panel 3842554281 covers a height of 1800 mm by a width of 1000 mm (modular dimension B1000, referenced to 45x45 supports). The anodized aluminium frame uses a 30x30 WG40 protective grille profile with an integrated woven wire grille of 40x40x4 mm. It arrives fully assembled with fastening material included - mounting to the supports via suspension brackets requires only one fitter.

- Horizontal division provides extra rigidity for large guarding surfaces
- Color-coated woven wire grille improves visual contrast and aids recognition of access points and emergency exits
- Frame in anodized aluminium; woven wire grille and fasteners in galvanized steel
- Fully assembled on delivery - fast, single-fitter installation
- Compatible accessory kits for system doors, sliding doors, and double doors
- Woven wire grille color options: hot-dip galvanized (FA=0), black RAL 9005 (FA=1), yellow RAL 1023 (FA=2)
