

Stoßverbinder beidseitig L45, Nut 10, verzinkt - Bosch Rexroth 3842554440

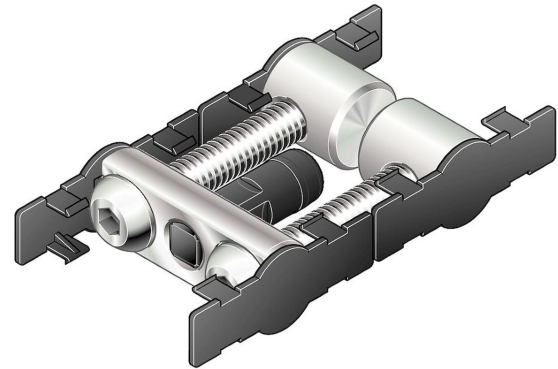

Item no. BRR-3842554440

Manufacturer Bosch Rexroth

End-to-end connector for joining two slot-10 profiles flush, length 45 mm. Through-hole D17 creates a continuous, conductive connection suitable for ESD-protected assembly areas. Supplied with 4 cover caps; ESD-rated cover cap 3842551055 available separately.

TECHNICAL DATA

Ausführungsklasse	ESD (antistatic)
Country of Manufacture	Germany
Lenght	45 mm
Weight	0.126 kg
Zolltarifnummer	83024900

18670

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The two-sided longitudinal end connector L45 joins two aluminium profiles of slot 10 flush end-to-end. The through-hole D17 passes through both profiles and establishes a conductive mechanical connection, making the connector suitable for electrostatic discharge (ESD) protection concepts. A centering pin and four cover caps (PP, signal gray) are included.

- Two-sided connection: joins profiles flush without visible fasteners on the joint face
- Conductive connection via galvanized screw steel - supports ESD zone requirements
- Compatible with all slot-10 profiles with P45 cross-section
- Includes 4 cover caps; ESD-rated cover cap 3842551055 available as separate accessory

TECHNICAL DATA

Property	Value
Type	Longitudinal end connector, two-sided
Profile [P]	45x...
Profile slot	10

Property	Value
Length [L]	45 mm
Diameter D	17 mm
Material	Screw steel, galvanized
Centering pin / cover caps	PP, signal gray
Color	Signal gray
ESD	Yes (cover caps in set not ESD-compatible)
Scope of delivery	Incl. 4 x cover cap
Recommended accessories	Cover cap D17 x 44.6 ESD (3842551055)
Weight	0.126 kg
