## STANDARDS & COMPLIANCE

ESD safe

## DESCRIPTION

The 22.5x30 ESD corner piece connects slot-8 frame profiles at right angles and is designed specifically for use in electrostatic protected areas (EPAs). Made from polyamide (PA), it meets the ESD requirements of the Bosch Rexroth material level system and is delivered with all necessary fastening material included.

- ESD-compliant PA material for use in EPA environments
- Profile slot 8 - compatible with the 22.5x30 frame profile of the material level system
- Supplied with fastening material (FS) - no separate accessory order required
- Packaging unit of 20 pieces for efficient stock management
