TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.0099 kg

DESCRIPTION

The MTPRO Network software license extends the Bosch Rexroth MTPRO assembly technology software with multi-user network operation. Multiple users can access shared project data, device parameterization and test documentation simultaneously - eliminating redundant single-seat installations.

- Network-capable multi-user operation for MTPRO
- Shared access to projects, parameters and test records
- Centralized data management for consistent production documentation
