Colour	<b>Orange</b>
Condition of article	<b>New</b>
Country of Manufacture	<b>Romania</b>
Lenght	<b>5 m</b>
Weight	<b>0.6 kg</b>
Zolltarifnummer	<b>85444290</b>

## DESCRIPTION

The OE-HD-GST mains cable (5 m) provides a reliable power connection for Bosch Rexroth assembly technology energy supply units. The PUR (H07BQ-F) sheath is oil-resistant, UV-stable and abrasion-resistant - designed for continuous operation at manual workstations and assembly lines.

- 5 m cable length for flexible workstation layout without additional extensions
- PUR sheath (H07BQ-F) - oil-resistant and abrasion-proof to IEC standard
- Distinctive orange colour for quick identification and cable management
- Open end (OE) for direct connection to fixed installations
