Country of Manufacture **Germany**

Weight **0.0152 kg**

Zolltarifnummer **85366990**

DESCRIPTION

The GST18I3 male locking piece seals open connector positions in the Bosch Rexroth GST18I3 energy supply system. It prevents unintended contact at exposed male ports on manual production and assembly workstations, contributing to safe and reliable operation.

- Precise fit for the GST18I3 system - no rework required
- Protects open male connectors against unintended contact
- Low weight (15.2 g) for easy handling and fast installation
- Part of the Bosch Rexroth self-build system for manual production workstations
