

Werkzeughalter für Klebeband 50 mm, ESD- sicher - Bosch Rexroth 3842555673

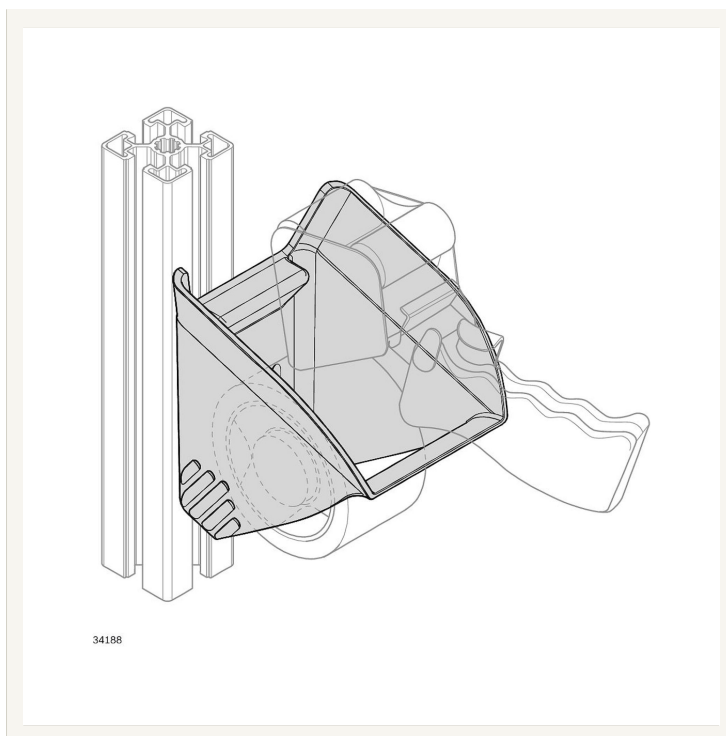

Item no. BRR-3842555673

Manufacturer Bosch Rexroth

Holder for 50 mm wide tape rolls, designed for direct mounting in 8 mm and 10 mm profile slots. The ESD-safe PA 6 housing in black prevents electrostatic discharge at sensitive assembly workstations. Includes fastening material for both slot widths.

TECHNICAL DATA

Ausführungsklasse	ESD (antistatic)
Colour	Black
Country of Manufacture	Italy
Weight	0.4 kg
Zolltarifnummer	94039990

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The tool holder accepts tape rolls up to 50 mm wide and clips directly into an 8 mm or 10 mm profile slot of Rexroth aluminium profiles - no drilling, no additional tools required. Made from ESD-safe PA 6, it is suitable for electronics assembly and testing workstations where electrostatic discharge protection is mandatory.

- Fits 8 mm and 10 mm profile slots - compatible with standard Rexroth aluminium profiles
- ESD-safe material protects electrostatic-sensitive components and assemblies
- PA 6 construction in black: durable, lightweight, easy to clean
- Includes fastening hardware for both 8 mm and 10 mm slots
- Packaging unit: 1 piece
