DESCRIPTION

The VFplus D3x8 blind rivets are fastening elements for assembling aluminium track sections in the VarioFlow plus chain conveyor system. At 3 mm nominal diameter and 8 mm shank length, they are sized for the standard slide rail profiles across the full range of VarioFlow plus widths.

- Pack of 100 units - cost-effective stock for ongoing maintenance and line extensions
- Compatible with aluminium profiles in widths 65, 90, 120, 160, 240 and 320 mm
- Original VarioFlow plus system component - no field modification required
