

WebFrame CheckIn Softwarelizenz, Verlängerung 12 Monate pro Area - Bosch Rexroth 3842558263

Item no. BRR-3842558263 **Manufacturer** Bosch Rexroth

Manufacturer no. 3842558263

Renewal licence for the WebFrame CheckIn app in the ActiveCockpit system, extending coverage by a further 12 months per area. The app embeds MES web applications via single sign-on and refreshes the display automatically. Required for operators continuing an existing WebFrame CheckIn licence (3842558262).

TECHNICAL DATA

Condition of article	New
Country of Manufacture	Germany
Weight	0.001 kg
Zolltarifnummer	49011000

DESCRIPTION

WebFrame CheckIn (3842558263) is the renewal licence for an additional 12 months per area and requires an existing or previously expired initial licence (3842558262). The app integrates web applications from MES systems directly into Bosch Rexroth ActiveCockpit, enabling single sign-on access without a separate login step.

- Direct launch of the target web application by clicking the report in ActiveCockpit
- User rights automatically passed to third-party web applications via single sign-on
- User-friendly admin UI for configuring links and access permissions
- Display refreshed regularly without manual interaction
