Zolltarifnummer	76042990

DESCRIPTION

The handle bar 3842990111 in anodized aluminum provides a practical, ergonomic grip for covers, drawers, and doors in profile and transfer system constructions. The length is specified individually between 50 mm and 3,000 mm, so the bar is delivered cut precisely to the required dimension.

- Material: aluminum, anodized - corrosion-resistant and durable
- Variable length: 50 mm to 3,000 mm (custom cut, packaging unit 1 piece)
- Pre-drilled holes for straightforward, secure mounting
- Suitable for covers, drawers, and doors in profile and transfer systems
- Required accessory: fastening material (order separately)
