

Vereinzeler Eco Flow EL 105-1005 mm - Bosch Rexroth 3842995007

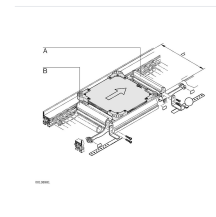

Item no. BRR-3842995007 **Manufacturer** Bosch Rexroth

Manufacturer no. 3842995007

Adjustable separator for Bosch Rexroth Eco Flow roller conveyors, covering roller lengths from 105 to 1005 mm. Delivered pre-assembled as components, including all fastening material. For use with workpiece pallets to provide a defined, repeatable stopping point.

TECHNICAL DATA

Article authenticity	Original product
Condition of article	New
Country of Manufacture	Germany
Weight	0 kg
Zolltarifnummer	84313900

DESCRIPTION

The 3842995007 separator is designed for the Bosch Rexroth Eco Flow conveyor system, providing controlled stopping and individual release of workpiece pallets on the roller track. The single article covers roller lengths from 105 to 1005 mm, reducing the number of variants to stock.

- **Wide length range:** Roller length EL from 105 to 1005 mm in a single configurable unit.
- **Ready to install:** Supplied pre-assembled as components, including fastening material.
- **Defined stopping:** Rexroth recommends pairing with a workpiece pallet with corner pieces for a reproducible stop position.
