

Modularer Montagearbeitsplatz MPS- Workplace, konfigurierbar, optional ESD - Bosch Rexroth 3842998110

Item no. BRR-3842998110**Manufacturer Bosch Rexroth**

Freely configurable assembly workstation for industrial production and testing, supplied as a kit or fully assembled. Width 410-2000 mm, work surface height 410-1500 mm, optional ESD-conductive version. Desk or box construction with profile slot 10 for direct integration of conveyor tracks, cross ties, and add-on modules.

TECHNICAL DATA

Country of Manufacture **Germany**

Weight **0.01 kg**

Zolltarifnummer **94032080**

STANDARDS & COMPLIANCE

ESD safe IEC 60364-4-41

DESCRIPTION

The MPS-Workplace from Bosch Rexroth is a modular workstation for assembly, testing, and production. Geometry and functional scope are freely selectable - from a self-assembly kit through to a fully assembled system.

- Width 410-2000 mm, depth 405-1000 mm, work surface height 410-1500 mm - continuously adjustable to ergonomic and spatial requirements
- Desk-type or box-type construction to match different work tasks
- Optional ESD-conductive version for electronics-sensitive environments
- Profiles 40L, 45L, or 60L with slot 10 - direct integration of conveyor tracks, cross ties, and accessory components
- Up to 4 material shelves (depth 410-1220 mm), extendable with brackets up to 800 mm
- Leveling foot or swivel castor, optional footrest
- Optional compressed air strip, suspension profile, reinforced strut extension, cloth and bottle holder
- 4 table top variants, 3 side panel types, 7 information board types, 4 socket types, up to 6 lamp variants

- Country versions: D, F, GB, CH, USA/CAN, CZ - country-specific sockets and power supply
- Electrical installation note: sockets up to 20 A must be protected by a residual current device (RCD) per IEC 60364-4-41.

TECHNICAL DATA

Parameter	Value
Profile type	40L, 45L, 60L
Profile slot	10
Construction	Desk type, box type
Version	Kit (disassembled), assembled
Workstation width	410-2000 mm
Workstation depth	405-1000 mm
Work surface height	410-1500 mm
Total workstation height	410-2500 mm
Material shelf depth	410-1220 mm
Bracket depth	up to 800 mm
Number of material shelves	0-4
Foot type	Leveling foot, swivel castor
Conductivity (ESD)	yes / no (optional)
Compressed air strip	with / without
Suspension profile	with / without
Reinforced strut extension	with / without
Cloth and bottle holder	with / without
Table top type	4 variants
Side panel type	3 variants
Information board type	7 variants
Socket type	4 variants
Lamp type	up to 6 variants
Hanger	with / without, spring pulls selectable
Footrest	selectable
Country versions	D, F, GB, CH, USA/CAN, CZ
