

Streckenstütze SZ 2/H - Bosch Rexroth 3842998235

Item no. BRR-3842998235

Manufacturer Bosch Rexroth

Track support for the Bosch Rexroth SZ 2/H modular system, designed to brace and stabilise conveyor and transfer lines. At just 9.9 g, the part is easy to handle and integrates quickly into the modular assembly system.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.0099 kg

DESCRIPTION

The SZ 2/H track support is a mounting accessory for the Bosch Rexroth modular assembly system, providing mechanical bracing for conveyor and transfer lines. Its low weight of under 10 g simplifies handling and allows fast installation within the system framework.

- Compatible with Bosch Rexroth modular system SZ 2/H
- Lightweight design: only 9.9 g
- Suitable for modular assembly and transfer systems
