

Rahmen-Werkstückträger WT 2/F, Aluminium, konfigurierbar - Bosch Rexroth 384299941

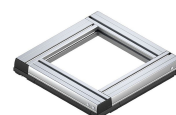

Item no. BRR-384299941 **Manufacturer** Bosch Rexroth

Manufacturer no. 384299941

The WT 2/F is a lightweight aluminium frame workpiece pallet for transfer and assembly systems, designed for low-cost transport of large products. Continuous standard grooves allow fast attachment of cross struts and workpiece supports, while integrated positioning bushings ensure repeatable workpiece alignment. Available fully assembled (MT=1) or as a self-assembly kit (MT=0), with PA wear pads for belt/chain conveyors or PE wear pads for accumulation roller chains.

TECHNICAL DATA

Article authenticity	Original product
Condition of article	New
Country of Manufacture	Germany
ESD-Ausführung	TEC
Weight	0.0099 kg
Zolltarifnummer	84313900

STANDARDS & COMPLIANCE

ESD safe

DESCRIPTION

The WT 2/F frame workpiece pallet from Bosch Rexroth is a configurable aluminium carrier for transfer systems and assembly lines. Its low weight combined with high structural rigidity makes it the economical choice for transporting large, heavy assemblies.

- Continuous standard grooves for tool-free mounting of cross struts and workpiece supports
- Integrated positioning bushings for repeatable, precise workpiece location
- Selectable wear pad: PA (LS=0) for belt, toothed belt, and flat top chain conveyors; PE (LS=1) for accumulation roller chains
- Wide size range: widths 400-800 mm, lengths 400-1200 mm, weights 6.6-22.2 kg depending on configuration

- Supplied fully assembled (MT=1) or as an unassembled kit (MT=0) including frame modules, connection elements, and positioning bushings

Technical data

Parameter	Value
Type	Frame workpiece pallet WT 2/F
Frame material	Aluminium
Width bWT (mm)	400 / 480 / 640 / 800
Length lWT (mm)	400 / 480 / 640 / 800 / 1040 / 1200
Weight mWT (kg)	6.6 - 22.2 (depending on size)
Wear pad LS=0	PA - for belt, toothed belt, flat top chain
Wear pad LS=1	PE - for accumulation roller chain
Assembly state MT	0 = kit, unassembled / 1 = fully assembled
Scope of delivery	Frame modules, connection elements, positioning bushings
Article number	3842999941
