

Rollenstrecke RS 4/S - Bosch Rexroth 3842999945

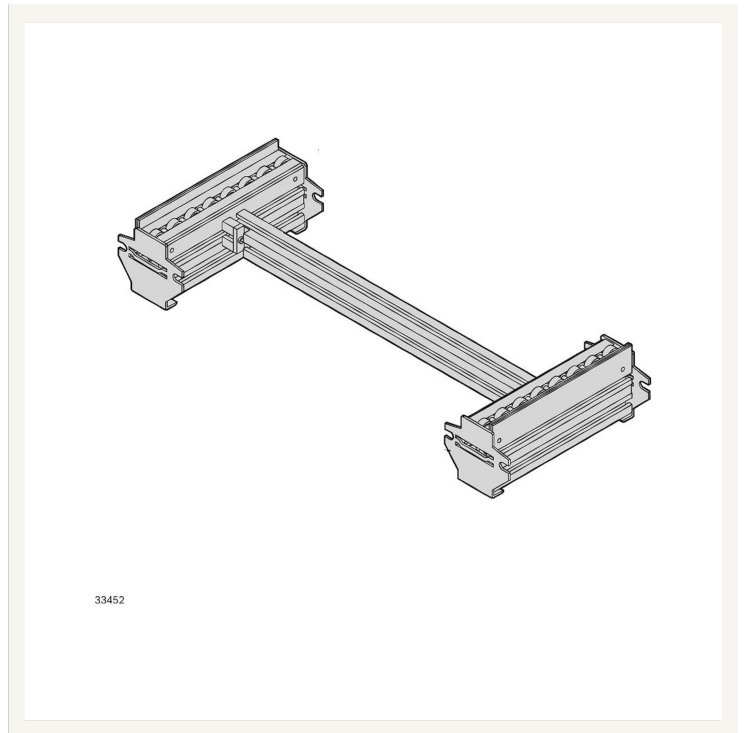

Item no. BRR-3842999945

Manufacturer Bosch Rexroth

Track roller section RS 4/S for Bosch Rexroth assembly technology transfer systems. Provides low-resistance transport of workpiece carriers and containers along the conveyor line. At just 9.9 g, the component adds minimal load to the system.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.0099 kg
Zolltarifnummer	84313900

DESCRIPTION

The RS 4/S track roller section is a conveying and guiding element for Bosch Rexroth assembly technology transfer systems. It supports smooth, low-friction movement of workpiece carriers and small containers along the production line.

- Lightweight design: 9.9 g unit weight keeps additional load on the transfer system to a minimum
- Compatible with the RS 4/S roller section system of Bosch Rexroth assembly technology
- Straightforward integration into existing RS 4/S transfer lines
