

Ausgleichscheibe 77x23 für Profilnut 8 - Bosch Rexroth 8981535891

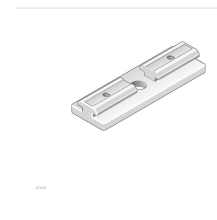

Item no. BRR-8981535891 **Manufacturer** Bosch Rexroth

Manufacturer no. 8981535891

Steel spacer washer for profile slot 8, designed for use with the flat sliding block lockable N8. Enables low-wear guide assemblies in the Bosch Rexroth aluminum profile system by providing precise height compensation when clamping with sliding block and clamping lever. Packaging unit: 4 pieces.

TECHNICAL DATA

Article authenticity	Original product
Condition of article	New
Country of Manufacture	United States
Weight	0.001 kg
Zolltarifnummer	73029000

DESCRIPTION

The spacer washer 77x23, made from plain steel, is a connecting element for the Bosch Rexroth assembly technology system with profile slot 8. It is used together with the flat sliding block lockable N8 (3842552423) and the plastic tapping screw W1451 3.5x14 (3842552421) to build low-wear guides and create a secure positive connection when clamping with a sliding block and clamping lever.

- Material: steel, plain - suited for indoor mechanical assembly
- Compatible with profile slot 8 of the Bosch Rexroth aluminum profile system
- Precise height compensation for play-free, low-wear guide construction
- Packaging unit of 4 pieces - cost-efficient for series production
