DESCRIPTION

Waterproof, especially robust Pro protective case in the 120 x 40 x 16.8 cm format that stores and transports sensitive, high-value equipment safely.

- Waterproof shell with an integrated pressure-equalisation valve, usable in aircraft cargo holds and underwater
- Withstands heavy loads and strong temperature swings
- Two keyed-alike locks, with four locks on the larger models
- Stackable, with an ergonomic carrying handle for secure transport

For industry and the service sector wherever measurement and service equipment, cameras, drones or sensitive devices have to travel protected.

Made in Germany from plastic, with an integrated pressure-equalisation valve.
