## DESCRIPTION

Steel-tube-reinforced Maxi HD transport trolley in the 80 x 60 cm format for one large or several smaller containers.

- The steel-tube-reinforced heavy-duty build carries high loads.
- An optional six-caster version with a central support raises the load capacity further.
- Polyamide wheels roll hard and easily on smooth floors, while rubber wheels run quieter on uneven ground.
- Recesses in the deck secure the container and let empty trolleys nest space-savingly.

Used for heavy containers and large load carriers in warehousing, production and dispatch.

Manufactured in Germany.

### Technical data

Outer dimensions L x W x H 81.68 x 61.68 x 17.69 cm

Design Castors Four steering castors

Material Castors Rubber

Ø Castors 10 cm

Weight 6.59 kg

load 250 kg

Colour sky blue similar RAL 5015

Stacking height 15.3 cm
