Zolltarifnummer **39231000**

DESCRIPTION

Euro container with the integrated Pro hinged lid in the 61.1 x 42.7 cm footprint, sealing contents dust, air and water tight and opening with a single movement.

- Captive lid stays with the container in transit and folds open or shut with one hand
- Circumferential rubber seal keeps contents dust, air and water tight
- Clamping lever lock holds the lid securely against accidental opening
- Stacks compactly even with the lid fitted
- Can be fitted with an optional lock for added access protection

Used for the protected transport of sensitive parts, returnable shipping and storage in both indoor and outdoor areas.

Made of food safe polypropylene (PP), resistant to acids and alkalis as well as cold and heat, manufactured in Germany.
